

BioBAR **Bio-degradable chain & bar oil**

Product code s0100, September 7, 2010

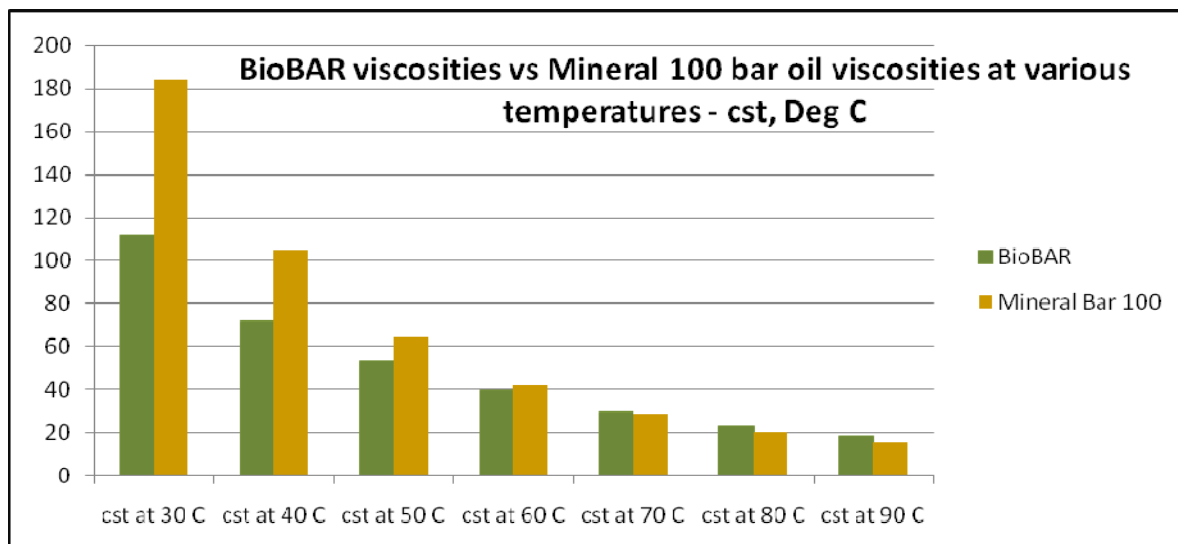

Description;

BioBAR is a unique blend of vegetable base oils and additive technology that results in a bio-degradable chain & bar oil that outperforms both traditional bio and mineral bar oils.

The exclusive formulation of Synforce BioBAR contains anti-wear and tackiness additives that are also Bio-degradable making BioBAR truly 100% bio-degradable

Advantages;

Due to the advanced formulation and the very high Viscosity index of the vegetable base oils used, the viscosity range offers advantages over most other products by providing earlier protection at cold start and resisting the effects of heat on viscosity (thinning) at operating temperatures; refer comparison chart below;

Properties;

Viscosity, cst @ 40 degC	73
cst @ 100 deg C	14.8
Viscosity Index	214
Appearance	amber liquid
Specific Gravity	0.9
Flash Point	>290°C

Available in ... 1, 5, 20, 205 and 1000 litre
